This library is very calm, so I can concentrate on studying. Thank you for 2 years.

No comments

allow scanning to email or USB from the photocopying machines in library, otherwise we have to walk all the way to the Levey Library to do those scanning jobs

Never on campus, due to residency being in LAC+USC.

none

Very personable staff

Sometimes it would get too loud by 1-2 students speaking in the library, I had leave the area. Even after warning to be quiet, some of the noise level is hardly controlled by staff.

Additional weekend hours, including Sunday, would be very helpful. Excellent library.
