Our average monthly gate count has been consistently higher each month than the same time last year and the numbers are only going up!

45% on Average

Careful tracking on LibAnalytics shows that we have had more patron interactions this month than the same time last year.

Headcount 65% on Average

Headcount, taken every half hour, counts everyone studying in the library and shows an increase from Fall 2017 to Fall 2018.

The inventory project at the Philosophy Library has made more of our books accessible to patrons and our loan rate has steadily increased over the course of the semester!

Newsletter Stats: Open Rate

Our monthly newsletters bring information about library events and resources to faculty and students in multiple disciplines!
