Holos Library of Philosophy
March 2019

Average Gate Count

Even with a quiet Spring Break our numbers remained high.

In students held onto food that you handled, we figured it out.

Careful tracking on LibAnalytics shows that we had more patron interactions this month than the same time last year.

Headcount

Our busiest hours remain 12 PM - 4 PM, a trend which we also saw in March 2019.

As the semester comes to a close we expect to see an increase in returns and renewals as students and faculty prepare for summer.

ILS Statistics: 2018/2019

Our monthly newsletters bring information about library events and resources to faculty and students in multiple disciplines.
