Average Gate Count

We expect an uptick in our Gate Count numbers as we move into Orientation period over the summer.

April 2019 LibAnalytic Stats: 94 Entries Total

Careful tracking on LibAnalytics shows that we have had more patron interactions this month than the same last year.

Headcount

As Summer classes get going we will see an increase in our Headcount as students come to Hoose to study.

ILS Statistics: 2018/2019

We saw an increase in renewals as the summer began. Some of our latest Did You Know? Newsletters focused on how to renew books online.

Newsletter Stats: Open Rate

Our monthly newsletters bring information about library events and resources to faculty and students in multiple disciplines.

Did You Know Newsletter Open Rates

In April we sent out Did You Know Newsletters on accessing and downloading e-books through Hathitrust and the advertising our Study in the Mudd event.
