Average Gate Count

Oriented high school students in summer courses visit libraries regularly.

June 2010 LibAnalytics Data: 57 Entities Total

Careful tracking on LibAnalytics shows that we have had more patrons this month than the same time last year.

Headcount

As summer classes get going we will see an increase in our Headcount as students come to USC to study.

ILS Statistics: 2018/2019

Now that Summer is winding down we will see a decrease in renewals and returns until late August at the end of the borrowing period.

Newsletter Stats: Open Rate

Our monthly newsletters bring information about library events and resources to faculty and students in multiple disciplines.

Did You Know Newsletter Open Rates

In June we sent out Did You Know Newsletters on renewing loans with extra notes on the increase in overdue notices that patrons should expect starting this summer.
